

DR VICTORIA ROSE REQUIRED MEDICAL EQUIPMENT FOR GAZA

WE ARE RAISING FUNDS TO
PURCHASE ESSENTIAL MEDICAL
EQUIPMENT FOR DR. VICTORIA
ROSE'S HUMANITARIAN MISSION IN
GAZA.

TO GIVE SOME CONTEXT, A
SIGNIFICANT NUMBER OF INJURIES
CAN BE EFFECTIVELY TREATED
WITH SKIN GRAFTS, WHICH
DRAMATICALLY REDUCE HEALING
TIME FROM MONTHS TO JUST A
FEW WEEKS.

HOWEVER, PERFORMING THESE GRAFTS REQUIRES A SPECIALISED TOOL CALLED A DERMATOME—ONE OF THE KEY ITEMS ON OUR LIST.

THIS EQUIPMENT, THOUGH RELATIVELY AFFORDABLE, HAS THE POTENTIAL TO MAKE A LIFE-CHANGING DIFFERENCE FOR COUNTLESS PATIENTS.

EVERY CONTRIBUTION HELPS. LET'S COME TOGETHER AND SEE WHAT WE CAN ACHIEVE.

MICROSURGERY INSTRUMENTS

MAXILLO FACIAL INSTRUMENTS

DERMATOME

AIDS IN TAKING SKIN GRAFTS
